FERAL/FREE ROAMING/COMMUNITY/NEIGHBORHOOD CAT SPAY/NEUTER PROGRAM

Free-roaming cats are a serious problem nationwide and our area is no exception. Some of these cats are truly wild, often called feral, and cannot be handled. Others are pets who have become lost or intentionally abandoned by their owners.

No responsible cat owner allows a non-spayed/non-neutered cat outdoors. If you provide care for any cat, please spay/neuter before 4 months of age or as soon as it can be trapped and delivered for surgery.

YOU MUST BE APPROVED AND SCHEDULE SURGERY BEFORE TRAPPING A CAT. Use an approved trap that has the empty weight written clearly on it. We have a limited number of traps to loan with deposit required. Provide two bath-size towels. NOTHING should be inside the trap except a small, paper food tray with a few bites of food.

BECAUSE DEMAND FOR THIS PROGRAM IS SO GREAT, WE OFFER PREFERENCE TO CLIENTS WHO HAVE OTHER PETS UNDER OUR CARE. WE WILL ALLOW NON-CLIENTS TO PRESENT CATS FOR AN ADDITIONAL NON-CLIENT FEE OF \$30.

YOU MUST FOLLOW ALL INSTRUCTIONS ABOVE FOR PRESENTING CATS TO AVOID THE ADDITIONAL LABOR FEE OF \$20. FAILING TO FOLLOW INSTRUCTIONS ADDS RISK AND STRESS TO THE CAT, DELAYS OUR PROCEDURES FOR TREATING THE CAT, REDUCES OUR EFFICIENCY AND INCREASES OUR COSTS.

Standard services include spay/neuter, Rabies vaccination and ear tipping. Microchipping, at additional fee, can be chosen in place of ear tipping. CIRCLE SEX IF KNOWN. CIRCLE ADDITIONAL SERVICES REQUESTED. ONLY SERVICES MARKED WILL BE COMPLETED.
